

Paste for Mailing Machines

9011 Mailing Machine Paste

Free flowing high solids slow drying economical adhesive that will give better Lay Flat with the best resistance to puckering. Ready to use or you can dilute slightly. For use in many brands of mailing machines and hand operated mailers such as the Wing Mailers. Works very well for large labels. Replaces #9075 paste.

Available as follows:

- # 9011 55 Gallon Drums
- # 9011PL 5 Gallon Pail
- #1GV Gate Valve for Drum

9199 Mailing Machine Paste

Very fast setting with good tack. Lower in solids than 9011 but faster in setting. Best for small labels - especially good on Cheshire, Magnacraft and other high speed labelers. Also excellent for case sealing and corrugated buildup. Ready to use or you can dilute slightly.

Available as follows:

- # 9199 55 Gallon Drums
- # 9199PL 5 Gallon Pail
- #1GV Gate Valve for Drum

9015 Mailing Machine Paste

The fastest of these three dextrin products offering a higher degree of wet tack and faster set speed. This product is best when used on the smaller type labels used with high speed mailing machines. Also used for case sealing and corrugated buildup - the bonding of two or more sheets of corrugated sheets together. Ready to use or you can dilute slightly.

Available as follows:

- # 9015 55 Gallon Drums
- # 9015PL 5 Gallon Pail
- #1GV Gate Valve for Drum

7000 Series Use with hot melt label equipment and must be heated to 325-350 degrees. Bonds in about three seconds. Pressure sensitive and pressure sensitive releasable.

8000 Series Paste - "Resin Emulsion Base" - a synthetic in a liquid, white glue form. This is the fastest setting adhesive we offer and is used for the smaller labels being bonded to difficult glossy or ink coated surfaces and magazine covers. Ask for 8605-300 (can also be used for carton sealing) or 8049-oche-ae a pressure sensitive cold glue.

9000 Series Paste - "Dextrin Base" - adhesive made from corn starches and water that allow for easy clean up. Fine for use on simple jobs: Plain paper labels applied to newsprint or plain paper surfaces. Your "green" adhesive.

Please note all 9000 series adhesives are kept "In Stock" in 5 gallon pails for immediate shipment from our warehouse.
