

Mini P.O.P. Sales Aids

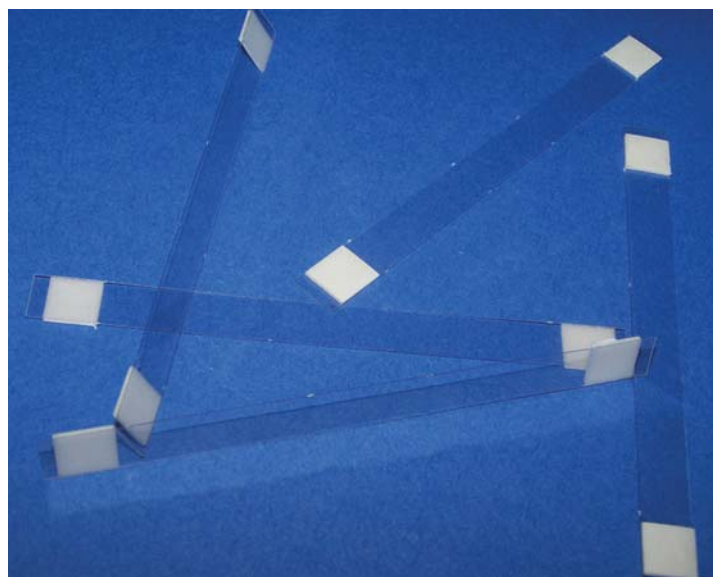

WS - Wobbler Strips 7.75" 15mil Clear PVC with foam adhesive pads pre-applied to both ends. Ideal for use with standard 1.25" price rails or any flat vertical surface. To display your message horizontal, adhere your printed sign to the foam adhesive on the small end. To display a double sided vertical message, have a hole punched in your sign and attach to the hook end of wobbler. We supply this item with or without the printed sign.

FT1 - Anti-Wobbler Strips 3 1/8" long with foam adhesive pads pre-applied to both ends. Actually this **Anti-Wobbler Strip** does **not** Wobble! Give them a twist or a "kink" and they will stay how you put them. Made from soft maleable aluminum. To display your message adhere your printed sign to the foam adhesive at either end then stick the other end to most any flat surface. We supply this item with or without the printed sign.

DS-1 Spring Thing 1.25" tall with foam adhesive pads pre-applied to both ends. One of our most popular POP aids. To display your message adhere your printed sign to the either end and then stick the other end to most any flat surface. The Spring Thing is a most versatile POP sales aid. We supply this item with or without the printed sign.

MWS - Mini Wobbler Strips 4.25" long 15mil Clear PVC with foam adhesive pads pre-applied to both ends. To display your message adhere your printed sign to the foam adhesive on either end then stick the other end to most any flat surface. We supply this item with or without the printed sign.
