

Mini P.O.P. Sales Aids

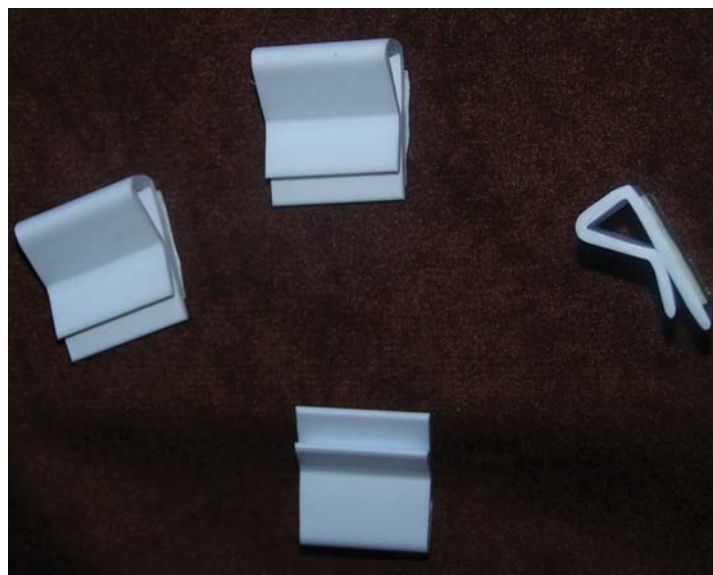

MCH - Mini Card Holders 3/4" wide x 3/4" deep x 9/16" tall with foam adhesive pre-applied to the bottom of each piece. This product is ideal for holding a small sign made from card stock. The **Mini Card Holder** sticks horizontally on most any flat surface such as table, counter top, cash register, or "in-store" display. Also attaches vertically to a wall. Use one or more for larger signs. We supply this item with or without the printed sign.

SGSH - Super Grip Sign Holders 1" wide x 1/2" deep x 1/2" tall with foam adhesive pre applied to the bottom of each piece. This product is ideal for holding a small sign made from card stock. The **Mini Card Holder** sticks horizontally on most any flat surface such as table, counter top, cash register, or "in-store" display. Also attaches vertically to a wall. Use one or more for larger signs. We supply this item with or without the printed sign.

LCH - Large Card Holders 3" wide x 1" deep x 1" tall with foam adhesive pre-applied to the bottom of each piece. This product is ideal for holding larger signs made from card stock or even corrugated sign material. The **Large Card Holder** sticks horizontally on most any flat surface such as table, counter top, cash register, or "in-store" display. Also attaches vertically to a wall. Use one or more for larger signs. We supply this item with or without the printed sign.

MSH - Mini Sign Hangers 1" wide x 3/8" deep x 1" tall white PVC with foam adhesive pre-applied to back side. Ideal for card stock or even corrugated sign material. Simply adhere adhesive foam to any flat surface and push sign into holder. **Mini Sign Hanger** is also used to hang signs on walls and from wire racks - slide hanger over wire and insert sign to be hung. We supply this item with or without the printed sign.

Budget Saver.
These items are very inexpensive.

Remember...
We will print your signs for you.
